

Business Managers Report for April 2026

Members available for work: Plumbers-13, Fitters-11, Apprentices-26, HVAC-2

Members Traveled Out- 50

The month of March we had 104 dispatched out, the need for HVAC Chiller techs and Welders remains. Met with JCI to discuss current and upcoming manpower needs, JCI has opened a construction division which will be performing the plumbing and mechanical at the El Tropicana hotel renovation. This will make JCI a one stop shop...

I would like to thank the election committee for conducting a smooth election at last month's special call meeting, Congratulations to the following delegates. Lupe Castillo, Fabian Gonzales, Matthew Harman, Alfred Contreras, Jesse Ortiz, Daniel Bynum, Corey Hacker Paul Harrison, Mark Potter, Emilio Garza, Michael Hayward, Francisco Tovar, Ricardo Gomez, and John Bonilla. These members will be representing Local 142 in August at the 41ST UA General Convention in San Diego.

We are currently at 1524 members with 50 members traveling out. Southland, Dynamic Systems and Texas Chiller Systems are the top 3 employers, currently Southland employs 428 members while Dynamic Systems employs 208 members, followed by Texas Chiller Systems with 103 members. Manpower call outs are expected to increase as more projects are to be released.

The training department will be having UA Welding Certifications on April 11th at 7:00 am for any members interested, please contact the Training department @ (210) 226-2661.

Fraternally,

Trino Baltazar

Business Manager
