

Business Managers Report for October 2026

Members available for work: Plumbers-2, Fitters-0, Apprentices-1, HVAC-2

Members Traveled Out- 73

Wishing all our Local 142 members, families, and friends a safe, happy, and fun Halloween weekend! Enjoy the weekend, make great memories with your loved ones, and please remember to stay safe while celebrating. Happy Halloween from Local 142! 🎃

Our current membership stands at 1,669. We continue to see a strong work outlook for the fourth quarter and into 2027. September saw a total of 171 members dispatched to work. Several upcoming projects are expected to create additional opportunities for our members, including call outs for Project Aumovio, Cyrus One, Project Cinco, and the Vantage Data Center. We remain focused on working with our signatory contractors to meet their manpower needs and ensure our members are prepared to take advantage of the work ahead. With the work outlook continuing to look strong, we must also remember that we have a responsibility to show up for work on time, perform at a high level, and always work in a safe and professional manner. Every time we step onto a jobsite, we represent Local 142. It is important that we continue to uphold the UA Standard for Excellence by demonstrating professionalism, productivity, safety, and a strong commitment to the quality of our work. The opportunities ahead are significant, and our reputation is built by how we perform every day. Let's continue to take pride in our work and represent Local 142 with the highest standards.

Our women members will be attending the Tradeswomen build nations conference in Houston Texas on October 9-11. Local 142 is committed to promoting participation and leadership opportunities for our women members and supporting their continued growth and success in the skilled trades.

.

Fraternally,

Trino Baltazar

Business Manager
